FRYING CHICKEN!

Until you've tasted these superb fryers you haven't enjoyed chicken at its tastiest best. For these are lickin'-good chickens—carefully selected top grade birds that were raised to the just-right frying weight for meatiness . . . tenderness . . . flavor. In addition to their goodness, look at the savings in this low, low price. You'll want to buy extras to put in your freezer for future mealtime pleasure.
